CAMERON, MILAM COUNTY, TEXAS, THURSDAY, SEPT. 6, 1962

An Editorial A Real Opportunity

Cameron and Milam County have an opportunity to start the final drive to eliminate polio of all kinds. That opportunity presents itself Sunday, SOS, September 9.

Sabin On Sunday will be a bright mark in the history of Milam County . . . if every man, woman and child joins in the total effort to take the Sabin oral vaccine.

Adjacent counties also will be conducting the first immunization of the general public in the history of Central Texas. It is commendable, worthwhile and safe.

We join in urging every Milam Countian to go to an SOS Center Sunday afternoon and spend 30 seconds that will mean the beginning of the end of polio.

Cameron has three centers, which will be open from noon to 5 p. m. They are Simon - George Hall, Yoe High School Gymnasium and O. J. Thomas Gymnasium.

Volunteer workers will man the three Cameron Centers and the other Milam Centers. They will include doctors, pharmacists, nurses and volunteers from many walks of life.

There will be no charge for those who feel they cannot pay. But in other centers where sabin oral vaccine has been given, a 25 - cent donation has been given to help defray the cost of the vaccine.

We urge your participation Sunday. If you care for your family, as we know you do, you will bring them out on SOS.

SOS Centers Await 1,000's For Polio Vaccine Sunday

3 Halls Open For North Milam

Three locations in Cameron will be busy Sunday distributing the Sabin oral vaccine to an estimated 10,000 Milam Countians.

Final plans for the North Milam SOS drive were completed last week when committeemen met with doctors of the Milam Medical Society and representatives of the Milam Health Unit.

Cameronites will receive their vaccine from noon to 5 p. m. Sunday at Yoe High School Gymnasium, Simon - George Hall and O. J. Thomas Gymnasium.

The main problems expected by the Committee is the registration and traffic problem during the SOS hours.

Registration blanks are being distributed in all Milam County schools and also appear in The Herald.

SABIN AND SUGAR

The Sabin oral vaccine is a tasteless fluid that is taken over a cube of sugar from a small paper cup. Dr. C. G. Swift, spokesman for the Milam Medical Society, said the process takes about 30 seconds and there are no side effects from the vaccine.

The vaccine will immunize against Type 1 (bulbar) polio and eliminates the danger of contracting the disease or carrying it.

Rockdale will be one of several centers for the South Milam area. Residents may take their vaccine at the Rockdale High School or Aycock High School from 1 to 6 p. m.

Other South Milam centers will be in Gause, Davilla, Milano, Thorndale and Sharp. Sharp and Milano will be open 4 to 6 p. m. in the community schools.

Gause and Davilla are scheduling opening hours from 1 to 3:30 p. m. with Davilla School and Gause voting box building being the centers.

Thorndale will have an SOS Center at the Fireman's Hall from 2 to 6 p. m. for whites and 4 to 5 p. m. for negroes. H. D. Maxwell is administrative chairman for the South Milam area.

Bill Burns, administrative supervisor of the North Milam SOS drive, will be in charge of registration, administration and collection at the three centers in Cameron.

VOLUNTEER WORKERS
Doctors, nurses and pharmacists are all volunteering their time to be at the SOS centers for the administration of the vaccine.

Committee chairmanships are: Registration and reception, members of the Medical Society Auxiliary; pre - registration, Mrs. Coy Arledge; vaccine committee, E. O. Schiller, Jr., chairman and Earl Curtis and Franklin Dusek; dispensing committee, Mrs. Leroy Wheeler and Mrs. F. E. Jackson.

Traffic Committee, Chief Elvin Hoskins and Sheriff Carl Black; site arrangements, Charlie Burke; and collection, John B. Henderson Jr. and Adrian Richter; publicity, Gene Smitherman, chairman and Lois Sapp and Patsy Matula.

Spokesmen noted that no one will be turned down for the vaccine but a 25 cent donation will be asked for to help pay for the vaccine.

OTHER DRIVES

Other neighboring counties are also conducting an SOS Drive this Sunday. Bell, McLennan Falls and Milam are joining in the drive to stamp out polio.

Robertson and Burleson Counties have already had SOS this month. Centers in Caldwell, Hearne and Bremond had thousands of residents in for the vaccine.

Other drives are being scheduled for the Type 2 and 3 vaccine for Cameron. Medical officials noted that is 80 per cent of the American people receive the vaccine, the threat of polio will be eliminated.

Members of Company C, Milam National Guard unit, will direct traffic at Yoe High School. Police Chief Elvin Hoskins and Cameron police will handle traffic at Simon - George Hall and police delegates and Boy Scouts will direct traffic at O. J. Thomas Gymnasium.

Parade Contest

Cameron Chamber officials this week announced five winners in Friday's back - to - school pet parade in downtown Cameron.

About 25 entries paraded along Houston Avenue in downtown Cameron, displaying a variety of pets dressed up in costumes.

Winners were:
Most unusual pet - Gigi, a pet skunk, entered by George Pavalk.
Most dignified pet - Fifi, a white French poodle, entered by Mike and Chris Jenkins.

Best dressed pet - Tina, a dachshund, entered by Beth Brock.

Most well - behaved pet - Flint, a horse, entered by Paul McDermott.

Each winning entry won \$5 from the Cameron Chamber of Commerce.

LOOK MOM, ALL GONE -- This perhaps expresses the ease with which 3 - year - old Eloise Henderson, of Cameron, polishes off her Sabin Over Sugar. SOS Sunday is coming this weekend for thousands of youngsters like Eloise and the adults in the Central Texas area. It takes less than 30 seconds and immunizes

against Type 1 (bulbar) polio. Eloise assures the photographer that she will take her oral vaccine just as quickly this Sunday in Cameron. So might 20,000 Milam Countians, Milam Medical officials hope. Won't you?

Board Okays New Budget

The Cameron School Board has approved \$543,150 budget for 1962-63 and Supt. Charles Zeigler has announced several changes in the School Academic Program.

Approval for the budget, about \$12,500 lower than in 1961-62 came at a public hearing Friday night at Ben Milam School.

The Board also employed three additional teachers and accepted the resignation of a fourth. Employed were: Miss Ruth Moore, first grade, Ben Milam; Mrs. Willie Jean Blocker, English at O. J. Thomas; and James Petty, eighth grade, OJT.

Resigning was Joseph Belair, OJT science teacher.

NEW ACADEMIC PLAN

Supt. Zeigler announced that a five - course academic program is being instituted in Yoe High School, eliminating the former study hall.

Accelerated classes have been eliminated in grades six through 12 due to a lack of enough students and teachers for special sections in a school of Cameron's size and because the five - course academic load has been instituted. Students now will graduate with 20 - credit hour minimum instead of the former 16 - credit minimum.

He predicted that enrollment will go to 1,650 by mid - year.

Q-A Concerning Sabin Vaccine

IS POLIO ALWAYS CAUSED BY THE SAME VIRUS?

There are three different known types of polio virus which cause poliomyelitis. In order to be protected against polio, an individual must be protected against all three types. There are separate oral vaccines against all three types of poliovirus.

WHAT IS THE ORAL VACCINE?

It is a live virus vaccine which helps the body develop immunity. Unlike many other vaccines, however, it can be taken by mouth.

WHAT IS THE DIFFERENCE BETWEEN SABIN ORAL VACCINE AND THE SALK VACCINE?

The Salk vaccine is a killer virus vaccine. Although the three types are combined into one vaccine, four shots are given over a period of 9 to 15 months. With Sabin oral vaccine, each type is given separately by mouth, four to eight weeks apart. The vaccine works fast, usually within a week.

HOW EXTENSIVELY HAS THE SABIN ORAL VACCINE BEEN USED?

The Sabin vaccine has been given to more than 100 million people throughout the world with satisfactory results reported. Millions of doses have been given in the United States.

HOW IS IT GIVEN?

A dose of vaccine can be mixed with distilled water and taken by cup or spoon; it can be given to infants by dropper or put on a sugar cube for older children and adults.

WHO MAY TAKE THE ORAL VACCINE?

The vaccine may be given to persons six weeks of age or older. In this immunization program, vaccine will be given to all ages.

WHERE WILL IT BE GIVEN?

Yoe High School Gymnasium, Simon - George Hall and O. J. Thomas Gymnasium in Cameron for North Milam County. (See adjacent story for other South Milam Centers.)

WHEN WILL IT BE GIVEN?

In Cameron from 12 noon to 5 p. m. Sunday, Sept. 9.

HOW MUCH WILL IT COST?

Nothing, if you do not choose to donate 25 cents to help defray cost of the vaccine.

WHO IS SUPPLYING THE VACCINE?

Pfizer Laboratories, division of Chas. Pfizer & Co., Inc.

HOW EFFECTIVE IS THE SABIN ORAL VACCINE?

The oral vaccine acts to produce an intestinal barrier against poliovirus as well as antibodies in the bloodstream. Thus, it is expected that the vaccine will help prevent vaccinated persons from carrying the disease as well as help protect them against poliovirus.

SHOULD YOU HAVE ORAL VACCINE IF YOU HAVE ALREADY HAD SALK VACCINE?

Yes, it is wise to take the oral vaccine. It will increase your protection and help you protect other persons in the community.

HOW IS IT GIVEN?

A dose of vaccine can be mixed with distilled water and taken by cup or spoon; it can be given to infants by dropper or put on a sugar cube for older children and adults.

WHO MAY TAKE THE ORAL VACCINE?

The vaccine may be given to persons six weeks of age or older. In this immunization program, vaccine will be given to all ages.

Band Opens Friday

Night Program

In High Form

Francis Cox began his 32nd year as director of the Yoe High Band with the band in better shape this year than at any time for the first game.

Cox said that he would have the band doing an entire halftime performance of precision drills for the Rosebud game. Most of the band performances will be of the precision type.

He stated that the band will do drills at the first as difficult as those it performed last year at the end of the season.

The Drum Major this year is Jimmy McGregor. Flag bearers are Linda Tucker and Janice Kuzel.

Twirlers are Billie Burke, Betty Brashear, Carol Ann Wilson and Carole Terry.

The band sweetheart and the mascot are to be elected.

Members of the 100 piece band are:

Judy Adams, Jo Ann Anderson, Nancy Baker, Shirley Baker, Lynda Bowen, Carolyn Brashear and Kay Bridges.

Jane Conley, Margie Conely, Carol Ann Crook, Glenna Cummings, Lanelle Darby, Donna DuBois, Suzanne Edmonds, Darla Edwards, Linda Ethridge and Anne Fisher.

Sandra Fuller, Rebecca Graham, Lynette Green, Pam Green, Valerie Green, Cathy Grimes, Jerry Heitman, Diane Howard and Mark Humble.

Gladys Humpik, Josey Jackson, Betty Johnson, Mervyn Johnson, Sherry Kubes, Linda Laywell, Bill Looney, Peggy Mann and Mona Mauldin.

Monica Mikula, Linda Miller, Jane Monroe, Kim McDermott, Mary Beth Nance, Billy Needham, Nelda Parker and Susan Prescott.

Patricia Raymond, Mike Rice, Anna Ripkoski, Lee Bert Robinson, Kay Roesler, Larry Schiller, Marcia Schiller, Nancy Schiller, Peggy Schiller and Cathy Schofield.

Kay Sell, Connie Shumate, Dorcas Smith, Danny Thweatt, Larry Thweatt, Pat Tittsworth and Terry Wade.

Jane Wied, Jolene Wied, Barbara Woodum, Robert Woodum, Jon Zelisko, Billie Lou Grimes, Vicki Hannon and Barbara Jackson.

Rebecca Lewis, Diane Provasek, Judy Schofield, Bucky Wilkinson, Nancy Foster, Sara Arthur, Terry Ripley, Ann Bowman, Harvie Nachlinger and Christy Clark.

Richard Anderson, Madelyn McClaren, Linda Grothe, Pam Neeley, Danny Baldrige, Margaret Zolt, Paula Zolt and Mary Frances Hurtik.

Lucinda Eickenhorst, Margaret Kestenbaum, Betsy Bowman, Janice Marak, Kenneth Cummings, Janice Kuzel, Inez Evans and Linda Tucker.

One youngster had a little difficulty with his entry, a well - dressed duck. It skittered out of the line of march at First and Houston and headed for hiding under a car. The duck, resplendent in a brightly colored outfit, was caught before it could get away.

About 25 entries gave the pet parade a real variety of interest. And how those youngsters managed their pets so well is a subject of much pride among their parents and townspeople.

A great deal of interest was shown in the Cameron Library program Tuesday afternoon when some 20 people, some Library Board members, visited the City Council and assured Councilmen of the need for sustaining the Library. Mrs. Bess Triggs, Library patron for many long and faithful years, read statistics showing that book usage by youngsters alone was well worth the \$900 a year sought by Library boosters to sustain the library and its program.

Mayor Duncum and the Council noted the possibility of granting some support from contingency funds when the new 1962 - 63 fiscal year begins and tax revenues begin coming in during October.

The interest in the Library is real. Its service is as vital to this community, in many respects, as the educational services provided by local schools. The Council, and Library supporters, with the interest of Cameron, can work out a feasible plan to sustain this important civic asset.

News About Milam Farmers, Their Interests, And Activities

COTTON REPORT

AUSTIN — The long severe drought at Austin came to a sudden end as four and one-half inches of rain fell on August 25. Several other communities in the territory also received substantial amounts. Picking was halted only temporarily. There continues to be a large amount of low "mike" cotton going into the loan. Some of the better quality light spotted cotton is selling well above loan values.

Market activity is light in relation to the amount of cotton available for immediate sale. Farmers throughout most of the current harvesting territories are offering freely without much encouragement from demand or prices. Much of the low Micronaire cotton is still going into the CCC loan program. Light Spotted qualities with high Micronaire reading are moving into trade channels at prices well above CC loan rates.

Middling one inch prices on southwestern area markets are off 10 points at Houston and 20 points at Lubbock from one week ago. Quotations are unchanged at Galveston. Dallas quotations are up 15 points for all staples of Strict Low Middling and up 30 to 50 points for all qualities of Light Spotted cotton.

Cotton Receipts Continue Heavy

Cotton receipts were heavy the past week and should continue if weather permits, says J. B. Russ, Officer-In-Charge of U. S. D. A. Cotton Classing Office in Austin. Twenty-four tables are in operation at the present time and 11,500 to 13,000 are being classed daily. The total number of samples classed last week was 82,238 which brings the total classed to date 231,000. Classing at the close of business Friday, August 31 was current.

The Austin office was established in 1922 as the first field office in the Cotton Division. For Austin office has classed 231,000 bales by the last of August.

Grades continue to be predominantly white in the Brazos River Bottom with 55 per cent classed as Middling or higher. Only 15 per cent of the cotton was classed Strict Low Middling or below. Thirty percent of the cotton classed last week was light spotted with most being Middling Light Spotted and Strict Middling Light Spotted.

The staple remains good with 47 per cent being classed 1-1/16 or better, 29 per cent 1-1/32, and per cent 1 inch or shorter. The micronaire readings are averaging about 4.0 in the Brazos and Nava-sota River Bottom.

Less than 10 per cent of the cotton in the Brazos Bottom is selling at the present time, with most of the cotton going into the CCC loan.

COTTON POISON

The safe disposal of cotton poison and defoliant cans is a problem, because livestock and children may be endangered if they are left lying around fields or on trash piles. The safest way to dispose of these cans is to carefully clean them with kerosene or soap and water and use them as burnt oil containers or as feed buckets. They may also be buried or burnt but don't leave them in ditches or in pastures where cattle or children may find them.

BETTER SCHOOLS -- AND YOU

by HENRY TOY, Jr., President
National Citizens Council for Better Schools

A very sharp saying in the Twenties was "Let George do it!" But George was a bootleg rum and the password, "Joe sent me!"

In the Twenties, the school with all the school problems that came up. Everything seemed to be going along pretty well so why should anyone else bother? Fortunately, that was a long time ago. We've seen a whole new rebirth in citizen interest in this country. We're moving into the tenth year of full-fledged dedication on the part of the people to their school problem.

Who are some of the people across the country? From what I've seen of them in their communities and through the letters they write, they are very much a cross-section of America. Most of them are parents, of course, working to see that their children get the best possible education. And they're both the parents, too, not just the mothers. A typical committee for school improvement in a town of 15,000 might very well include a half-dozen housewives, a dentist, a lawyer, a clergyman, a grocer, a retail merchant, a factory worker, a business executive, and a couple of farmers.

If that committee follows the national pattern, all religious affiliations will be represented on the committee and so will the various economic and social groupings of the town. These committees usually begin by gathering the facts about their local schools. I'm constantly astounded at the amount of time and effort the members are willing to give in order to become well informed about education. They're eager to know what others have done in other parts of the country, and at some adaptation to their hometown. Working in cooperation with the school board, these committees are changing the face of the land as far as education goes. Without them, there would be a tremendous vacuum in our current struggle for better education.

If you'd like about starting a committee in your community, write for our free booklet, "How Can We Organize for Better Schools?" Write Dept. D, Better Schools, 9 East 40th Street, New York City.

USDA - A&M To Commemorate 100 Years Of Service

COLLEGE STATION — Two 100 year old acts of far-reaching consequence to the United States and to the world will be commemorated at a noon luncheon September 5 on the A & M College campus.

These acts, both approved by President Abraham Lincoln, established the U. S. Department of Agriculture and the land-grant college system of higher education, so-called because the federal government set aside a portion of the public domain for their establishment and support. The A & M College is Texas' landgrant college.

Featured luncheon speakers were Dr. W. E. Morgan, president of the Colorado State University and a native Texan; Dr. T. C. Byerly, administrator of USDA's Cooperative Service; and H. N. Smith, state conservationist, USDA's Soil Conservation Service. Earl Rudder, A & M's president, was master of ceremonies.

Hillman, Mees Attend Meeting

Gene Hillman, owner, and Willie Mees, operator, are returning this week from Lancaster, Pa., where they attended a factory training school on the operation of their new mobile feed processing plant.

They are driving their Feedmobile to Cameron where it will soon be placed into operation by Cent-Tex Feeders Supply.

Hillman and Mees flew to Daffin Manufacturing in Lancaster this past weekend for three days of intensive instruction in bringing a complete feed processing service to local farmers and feeders. Their new mobile mill will now enable them to take the feed plant to the farm instead of asking farmers to bring their grains to the mill.

J.D. Moore Wins Service Award

The National Association of County Agricultural Agents presented its distinguished service award to County Agent J. D. Moore, of Cameron, Texas, at the 47th annual meeting of the NACAA at New Mexico State University, University Park, N. M., Aug. 30.

Agent Moore, left, is shown receiving the award from C. H. Waha, Mercer, Pa., chairman of the awards committee.

The award is presented to a limited number of agents each year who have demonstrated their ability in working with rural people in improving agricultural and general economic and social conditions in their countries. It is the highest award given by the association. Attending the NACAA meeting were agents and their families from 49 states. Registrations totaled more than 1800. Theme of the meeting was "Partners in Progress."

ASCS REPORT

The referendum of wool and lamb producers coming up in September is to determine their approval or disapproval of a new agreement to continue financing an advertising and market development program for wool and lambs, according to Alva E. Sanders, county office manager of the Milam County Agricultural, Stabilization and Conservation Service. Sanders emphasized that the outcome of the referendum will not affect continuation of the wool incentive payment program, which was extended for 4 years under legislation enacted last summer.

Ballots will be mailed between

September 4 and 7 to producers in Milam County. The voting will take place over the two-week period starting September 10 and all ballots must be received by the ASCS county office not later than September 21 in order to be counted.

Producers eligible to vote in the referendum are all those who have owned sheep or lambs, 6 months of age or older, for any one period of at least 30 days since January 1962. Each producer will report the number of sheep and lambs on his ballot. Approval by producers having at least two-thirds of the volume of production represented by votes in the referendum will be required if the agreement is to be extended.

Orange Juice, Fresh Pears Head September Abundant Foods Lists

COLLEGE STATION — Planning September menus can be easier if Texas homemakers take advantage of the abundance of current farm produced foods, suggests the Texas Agricultural Extension Service.

The official list of September plentiful foods is an excellent guide for best buys in the back-to-school month, the Service says. The list is developed by Agricultural Marketing Service in cooperation with producers and the food trade.

Fresh orange juice, fresh pears, fluid milk, grapes, late summer vegetables and salad oils make up the list and all are in good supply this month. Grocers will probably feature these foods so that consumers may take advantage of their abundance.

An ideal item for school-day breakfast is one of the many frozen orange juices on the market this fall. Fresh pears and grapes offer unlimited possibilities for adding appeal to fruit cups, salads and desserts, and make delicious additions to school lunch boxes.

The current abundance of fluid

Mr. and Mrs. J. N. Bowen of Temple visited Mr. and Mrs. Roy Schonhoef Monday. They and the relatives visited Rosebud friends.

Quite a few friends and relatives attended the Hoelscher-Buxkemper reunion Sunday at Westphalia.

Edwin Fuessel is working in Cameron.

The Stoeber family reunion was held at Buckholts Sunday at the hall. Quite a few relatives from Burlington attended.

Mr. and Mrs. Jimmie Litzman and family of Houston, Mr. and Mrs. Bobby Fitzgerald and family of Houston visited Mr. and Mrs. Henry Litzman and John Busker at Burlington last weekend and also visited Six Flags over Texas.

Sunday School had fair attendance at Burlington Church Sunday. Church services Sunday morning and at night were held by Rev. Fletcher.

Be Sure Of What You Are Voting For

COLLEGE STATION — There are presently three vital considerations before the sheep and wool producers of Texas and other states, says Ed Uvacek, livestock marketing specialist, Texas A & M College.

They are the question of the incentive price level of shorn wool, the question of changing the official marketing year, and the referendum on the promotional agreement with the ASPC, he says.

The support price for wool is to be set by the Secretary of Agriculture according to the 1954 National Wool Marketing Act. This is to be done after consultation with representatives of the wool producers and therefore comments from producers are needed by September 4, so that representatives may be guided regarding an incentive price level for the new wool marketing year, according to Uvacek.

The incentive price has been 62 cents per pound during each of the eight years of the Wool Payments Program with Texas producers receiving a total of 10.2 million dollars in payments for the 1960 marketing year.

Also under consideration is the question of changing the marketing year from the present April 1 through March 31 to a calendar year basis, the specialist says. Views in these two items should be sent to Livestock, Dairy and Poultry Division, Agriculture Stabilization and Conservation Service U. S. Department of Agriculture, Washington 25, D. C.

The third item to be considered is the referendum on the lamb and wool agreement with the American Sheep Producers Council. The question is whether deductions from the incentive payments should continue. The deductions at the rate of 1 cent per pound of shorn wool and 5 cents per hundred weight of lamb would go to continue the Council's promotional activities in behalf of lamb and wool. Under these deductions Texas sheep and wool producers contributed 17 percent of the Council's budget, a big \$536,107.00 in 1960. Deadline for the voting in this question is Sept. 21 and ballots may be returned to county ASCS offices starting September 10, the specialist adds.

Personals

Mrs. Conrad Jekel and son Dwight have returned from a four day visit in Tulsa, Okla. where they were guests of Mrs. Jekel's cousin, Mr. and Mrs. W. W. Hanley, Christi Ann, Philip and Mark. While in Tulsa they visited the Thomas Gilcrease Institute of American History and Art. Also the Philbrook Art Center.

Mrs. B. D. Clark is leaving Winlow, Ariz., after attending to business and seeing old friends.

To The Busy Housewife . . .

YOUR HOMETOWN NEWSPAPER IS A REAL CONVENIENCE!

A wonderful way for a busy young mother to save countless hours is by shopping the ads in her hometown newspaper. By knowing, before she goes to town, which products she wants and where to buy them, she can do an efficient job of marketing. While the housewife spends her time becoming an expert nurse, laundress, cook, playmate, and bookkeeper, the local newspaper is bringing her the shopping news. It tells her about the latest products and services that will help her accomplish her work most efficiently. It tells her where to find the best prices offered on items she needs. It saves her many long hours of "shopping around."

Gladys Jahns Given Bridal Shower

Miss Gladys Jahns bride elect of Herman Mueck Jr., was honored with a miscellaneous bridal shower at the Burlington Parish Hall Sunday, August 26.

Games were directed by Mrs. Ollie Ernst and Mrs. Herbert Engbrock.

Approximately 75 guests were registered by Linda Meek.

Mary Ann Meek, Judy Krause and Betty Jane Lorenz greeted the guests and arranged gifts on the gift table decorated in white gold, with a bridal doll centering the table.

Refreshments consisted of sandwiches, cake squares, potato chips, pickles, mints and punch. The favors were white wedding bells inscribed Gladys and Herman in gold lettering.

Hostesses were Mrs. Arnold Juegens, Mrs. Ollie Ernst, Mrs. Phil Krause, Mrs. Raymond Meek, Mrs. Rudy Meek, Mrs. Bill Stoeber, Mrs. Jack Futschick, Mrs. Herbert Engbrock, Mrs. Paul Olbrich and Mrs. Edgar Lorenz.

Heitmans Return From Georgia

Mr. and Mrs. J. J. Heitman and children, Jerry and Cheryl, have just returned from a vacation trip to Augusta, Georgia, where they were the guests of their son and daughter-in-law, Mr. and Mrs. Bob Heitman.

Bob is stationed at Fort Gordon, Augusta, where he is a member of the Army Signal Corps.

Mrs. Heitman is a teacher in the public school system of Augusta.

Mrs. James Rodney Fontaine

Mikula, Fontaine Vows Read Mon.

Miss Katherine Marie Mikula and James Rodney Fontaine were united in marriage 10 a. m. Monday at St. Monica's Catholic Church.

The Rev. Arthur Michalka, cousin of the bride, of Burlington performed the double ring ceremony before an altar decorated with white mums and ivy.

Mrs. Francis Cox furnished traditional wedding marches and also played "Are Verum Corpus", "Pierce" and "O, Lord I Am Not Worthy."

Parents of the couple are Mr. and Mrs. Pete Mikula of Cameron and Mr. and Mrs. R. K. Fontaine of Jones Prairie.

Given in marriage by her father the bride wore a lace over satin dress. The sabrina neckline was accented with lace over taffeta and long sleeves forming points at the wrist. The floorlength full skirt was tulle overskirt ruffles with lace panels forming points in the center of the skirt.

Her fingertip veil fell from a crown of seed pearls. She carried a cascade bouquet of white carnations and lily of the valley centered on her grandmother's white Prayer Book. Her only jewelry was a gold cross of her grandmothers.

Attending the bride as maid of honor was Miss Jolaine Touchet of Taylor. She was gown in a pale blue floorlength taffeta dress which featured three quarter length sleeves and bell skirts. She wore gold accessories and carried a bouquet of Bronze doty mums touched with gold and gold and bronze streamers.

Bridesmaids attending were Miss Monica Mikula, sister of the bride, of Cameron; Miss Karen Fontaine, sister of the groom of Jones Prairie; and Miss Kaye McLerran, cousin of the groom of Houston.

They were dressed identically to that of the maid of honor and

carried identical bouquets.

Miss Mary Ann Anderle, cousin of the bride of Cameron was flower girl. She wore a white organ-dy dress and carried a bronze bouquet similar to the bridal attendants.

Master Anthony Jetter of Cameron, cousin of the bride, was ring bearer.

Attending the groom as bestman was Griffin Barrett of Cameron. Groomsman were Michael Mikula, brother of the bride of Cameron, Mark Perrin of Cameron and Gene Smith of Austin.

Ushers were Littleton Barrett and Charles Hollas, both of Cameron.

Mrs. Mikula chose a turquoise dress with black and white accessories. She wore a white carnation corsage. Mrs. Fontaine was dressed in a Navy blue dress with black accessories and a white carnation corsage.

A reception was held following the ceremony at the Simon - George Hall. White mums and ivy decorated the hall.

Miss Joyce Hannon of Cameron registered the guests.

The bridal table was covered with a white linen and lace cloth and centered with a silver candelabra and bridesmaids bouquets. The five tiered white wedding cake was the focal point of the table. White roses, swans and bells decorated the cake with miniature bride and groom on top.

Members of the houseparty included Miss Sharon Laywell of Houston, Sandra Smith of Austin, Rita Vessels and Pat Matula of Cameron, Elizabeth and Margaret Allison and Denise Michalka of Waco.

For traveling the bride chose a green cotton wool blend suit, with box jacket. Her accessories were gold and black and a white carnation corsage.

After a wedding trip the couple

will make their home at 711 Norwalk Lane in Austin.

The bride is a graduate of Yoe High School and attended St. Edward's University in Austin. She is a graduate from Seton School of X-Ray.

The groom is also a Yoe High graduate and attended Texas A&M College.

The bride will be employed at Seton Hospital and the groom is presently employed in Austin.

Rex Allen, Koko To Be At Waco

WACO — Rex Allen, star of the October 2-6 Heart O'Texas Fair

and Rodeo, owns one of America's most coveted horses — KOKO, a quarter horse of proud Missouri stock and known as "the most beautiful horse in the world."

Koko, a well bred and trained animal, could win blue ribbons in any competition for his conformation, speed, stamina, and manners.

Koko has traveled across the continent many times, although Rex is sometimes forced to leave him at home in San Fernando Valley on some personal appearance tours because of tight schedules and transportation difficulties.

Koko sometimes travels by railroad but usually rides to distant points in his personal "car" — a luxury stock trailer especially designed for his comfort and safety.

Yoe Meets Rosebud Friday

Rosebud Brings Veteran Squad

Rosebud will bring a heavy experienced ball club to Cameron this Friday night in the season opener for both teams. The Panthers team will outweigh the Yoemen almost 15 pounds per man.

With only eight starters back from last year Cameron will be at a disadvantage in experience also as Rosebud has only one man that was not a regular last year. They have 20 lettermen and 11 regulars back.

In the backfield the Yoemen will be outweighed 22 pounds a man as the Yoe ball carriers average only 147 to Rosebud's 169. Top weight in Cameron's backfield is carried by halfback Craig Wallace and Amos Doskocil with 150 each. Rosebud is led in this department by Lloyd Fabianke with 185 pounds.

The Yoe front wall is outweighed nine pounds per man as the average is 163 to Rosebud's 172. Only one man on the field will be over 200 pounds and that will be Rosebud tackle James Lucas at 203. Mike Koranek will be Cameron's heavy man at 190 pounds.

Cameron, in nightly workouts, has been practicing to stop Gene James' passing and Fabianke's running. Coach John Roberts has been using nightly workouts to strengthen the defense and correct the mistakes made in Saturday's scrimmage with Thorndale.

Bob Castleman's Panthers will bring a pro-type offense with split ends and backs to Yoe Field. James, twice all-district quarterback, will lead the Panther's attack.

Rogers, Holland To Start Season At Eagle Field

Rogers — A football rivalry of long standing will be continued on Eagle Field in Rogers Friday night at 8 p. m. when the Rogers Eagles play hosts to the highly respected Holland Hornets.

During the past six years Rogers won four and Holland won only two.

For at least the past seven years, the Holland - Rogers game has been the biggest game on the average year in and year out, for Rogers High School. Since Rogers lost May 1962, Holland is favored to take the 1962 game.

The Eagle playing field is in near-perfect condition for the first game of the 1962 season. If the weather continues dry, the baseball field will furnish ample parking territory for the crowd that is expected.

Hornets, Tigers Roll High In Mixer League

The Hornets posted a three and one record to tie the Tigers for first place lead in the Cameron Mixers league. The last round of play is Tuesday night.

The only team with a chance to win besides the Hornets and the Tigers is the Dogs in third place with a 29 - 23 record. The leaders have a 31 - 21 record.

Marie Ann Laake took top honors again for the women as she posted a 527 series with a 199 game. Earl Curtis had a 579 with a 212 game to top the men.

The seventh place champs took top team series and top game with second in both divisions with a 1890 series and a 682 game. The Tuffies were third with a 1845 and 656 game.

Keglers Top Scoring For Womens Teams

Keglers 2072 and 779; Hi-Lo's 2042 and 754; and Pin Dodgers 2031 and 694 were high for both series team and single game team for the Rockdale Women's League.

Florian Skubal 446 and 179 was high for series individual and game individual. Series individuals in second and third place were Judy Tyler 430 and a tie Cynthia Edelman and Betty Backhaus 429. Following in game individuals were Mable Wright 164 and Judy Tyler 162.

Standings are:

Lucky Strikers	35	17
Hi-Lo's	31	21
Keglers	30	22
Alley Cops	29½	23½
Queen Pins	25½	26½
Blast Offs	21	31
Five Eights	20	32
Pin Dodgers	17	35

tact. In two pre-season scrimmages the Panthers looked sharp against Waco and Hearne.

Both teams are expected to be

in good physical shape for the game. Neither team reports any injuries or sickness. Heat has hampered workouts but now they are using night workouts to get ready for the game.

Last year's contest between these two teams resulted in a 14-14 tie. In the fumble plagued game Cameron came back in the second half with two touchdowns to tie the game. The last one was scored with only 45 seconds left on the clock as Amos Doskocil

scored the TD and then ran the ball over for two points. Probable starting lineups for the two teams are:

CAMERON YOEMEN
 E Mike Perrin 150
 E Merlin Lester 155

Murray Go Round

By Tom Murray

IN AND OUT:

A dedicated Baylor football fan is something to behold. Like the one who shouted, as the Bears were being gouged, "Why don't you get some football players in there?" If the "Chinese Bandits" applied for admission, Baylor would turn them down as "undesirable aliens."

Talk about fans. Have you noticed the great number of Texas stickers which adorn autos today? Wonder where all those Longhorn fans were when Ed Price's teams were getting their brains kicked out? Or, what's become of those maroon jobs, 1957 vintage, which read: "Texas Aggies, 1956 SWC Champions?"

Another queer development has been the upsurge of Arkansas graduates in the state of Texas. Nine lived here, apparently, until Frank Broyles and winning football arrived at the same time.

Sports writers, of course, are correct in saying that Broyles should be ashamed of playing inter-sectional teams of Northwest Louisiana's ilk. But how's Fannin' Frank going to get out of playing his other pals -- Rice, A & M, TCU, and SMU, all of which roll over and play dead before his Pigs?

See where the old fairy tale that Rice plays scholars against SWC football "pros" still persists. If you don't know about Rice's second standard for athletes, simply check their courses of study. Closest Rice's scholars, except for an occasional Richard Chapman, get to football is the Owl Band. It does not take a music genius to know that scholars are not going to win a SWC championship here, either.

AND SOME MORE:

Incidental Information: Baylor's Jack Patterson has never been offered the University of Texas track coaching job. His two SWC championships in seven years may qualify him as a genius. But the truth is that Texas has a track coach and 28 SWC track championships, five of them since Patterson arrived at Baylor. If Texas had a top prospect for a job not open, it probably would not be Jack Patterson, despite the suggestions of some sports writers.

Look out for Rice! You know

the script. Jess Neely's Owls get built up one season, fall flat on their knees, then come back for the next year to knock everybody's block off.

This coming season may be more of the same.

The 1961 crew did its part. You may have noticed that Rice Sports Publicist Bill Whitmore said Center Malcolm Walker and Fullback Russell Wayt were the best short football players he had ever seen at Rice.

Neeley's Owls have a potential All-America end in Taylor's Gene Raez, a fearless junior guard in Mike Fritsch, Lockhart, and the most experienced quarterbacking

in the loop. Billy Cox and Randall Kerbow led the Blue to a great '60 season and a Sugarbowl donnybrook with Mississippi.

Jess swears they are both so good he doesn't know which to start. Not even TCU, with the great Eiffel Tower, nor Arkansas with Billy Moore, can match Rice's experienced quarterback leadership.

With Rice's automatic win over Texas at Houston and better luck against Broyles at Mountainville, the Owls may wait to the Cotton Bowl.

Little Sherry Rubac, daughter of Mr. and Mrs. Denson Rubac of Buckholts has been visiting her grandmother Mrs. Beatrice Leathwood and family while her mother is a patient in the Newton Memorial Hospital.

J. D. Moore, left, Milam County Agent and C. H. Waha, Mercer, Pa., chairman of the awards committee are shown here as Moore is awarded a distinguished service award by the National Association of County Agents. Moore received the award at the 47th annual meeting of the NACAA at New Mexico State University, University Park, N. M., August 30.

Ice Cream Party For YHS Players

The football players and coaches were guests at the Cameron Booster Club meeting last Monday for a home-made ice cream party.

Coach John Roberts introduced the coaching staff, players and managers to the Club. He also gave a short scouting report on the Rosebud team.

LaVert McKinney was selected as coach of the week. The Booster Club selects one member each week by a drawing and the winner spends most of Friday afternoon with the team, travels with them, eats with them and is on the bench with the team.

The Club also agreed to furnish sandwiches, cold drinks and coffee for the crews working in the press box.

Members also will carry the game film over to Hearne so that it will make the bus and be developed so that the coaches have the film by Sunday.

The club is checking on buying a special shirt or vest that the chain carriers and down markers will wear in order to make them more visible.

The membership drive of the club is continuing and about 75 members have signed up already. Anyone who wishes to join should contact any member or be at the meeting next Monday.

The members will form a double line for the players to run through before the game. President John Henderson Jr. requests all members to be at the south east corner of the field at 7:45 p. m.

Intersection signs will be placed downtown to remind people of the game.

Mr. and Mrs. Theodore Barney of Ohio were guests of her brother and wife Mr. and Mrs. Luther Todd last week. She is the former Vada Todd.

Officers of the Texas Poultry Improvement Association elected during the annual meeting of the Texas Poultry Exposition held at Dallas, August 28-30 are from left -- W. Ben Wilson, Clyde, outgoing president; T. A. Hensarling, Stephenville, executive secretary - treasurer; Fred Hansen, Cuero, 2nd vice president; Leo Fuchs, Cameron, president; W. J. Moore, Bryan, American Poultry and Hatchery Federation Director from Texas; and Oscar Nygaard, Watertown, S. Dak., president APHF.

He said that about half of the doves checked were large.

In case you are wondering about the enclosed section of the stands when you climb up near the press box Friday night don't worry. This section is for the visiting scouts.

See you at the game Friday night.

Miss Ruth Whittington, daughter of Mr. and Mrs. O. W. Whittington, of Cameron, was in the summer graduating class of Sam Houston State Teachers College. She received her bachelor of Science degree with a major in elementary education. Miss Whittington has been employed by the Bryan Public School System and will teach second grade in Bowie Elementary School this fall.

By James Hollas

The Yoemen looked good in sports in last Saturday's scrimmage with Thorndale. The Yoemen held the Thorndale team to about 70 yards rushing and passing as the Yoemen moved the ball to score the only touchdown of the game.

Yoe defense looks good as they were able to contain the Thorndale team. Pass defense, which will play an important part in Friday night's contest with Rosebud, was fairly good with the Yoe defenders almost intercepting several passes.

Coach John Roberts was pleased but said the team had to do a lot of work on the defense if it was to stop James' passing and Floyd Fabianke's running attack.

And that is just what the Yoemen have been doing this week in the practice sessions. After a long session Tuesday night Roberts said "he felt better" but the team had to keep going to stop the heavy, experienced Panthers.

The contest Friday night will be one between two well conditioned teams as both have devoted a shape to play ball.

A lot of the boys from both teams took time out from summer vacation and work to get in shape for the season.

About Safe Driving...

Cameron and area schools are back in operation. It behooves drivers to remember this as they approach school zones in the towns and rural communities.

Most everyone has experienced the chilling moment when a child, afoot or abike, enters an intersection, often without regard to traffic. For all that parents can do, youngsters will forget about approaching traffic at times.

Like driving for the other fellow on the open highway, motorists need to anticipate the unexpected, if this is possible.

Back - to - school time means a little extra precaution at the wheel so that school kids can get to school and back, even though they are a bit heedless of traffic.

Remember SOS Is Sunday...

Just a brief word about co - operation.

It will prove its merit Sunday when as many as 20,000 Milam Countians go to Cameron SOS Centers for their Sabin oral vaccine.

There are centers in Rockdale, Gause, Milano, Sharp, Thorndale and Davilla as well for the South Milam areas.

With wholehearted participation, this SOS program will be an historic effort in Central Texas for stamping stamping polio. The first vaccine Sunday will eliminate the dreaded bulbar polio, Type 1. Other SOS days will be held to administer Types 2 and 3.

Your co - operation is the key. Mark Sunday, Sept. 9, on your calendar. Fill out the registration blanks received through your school or this newspaper and go to your SOS Center. It will be 30 seconds well spent.

Dateline — Austin

Krueger To Preside Sept. 8

By Vern Sanford

AUSTIN — Senator Culp Krueger of El Campo, a newspaper publisher and a radio station owner, is planning to "put the big pot in the little one" sure - enough when he becomes Governor-for-a-Day on September 8.

Krueger not only is inviting all his friends and neighbors to help him celebrate the event at El Campo, but he is bringing a lot of state officials to show his hometown folks how government works.

At least a dozen state boards will have their September meetings in El Campo. For example the State Highway Commission will be on hand to explain why by - pass loop highways are good for small towns.

Theme of the state agency meetings and exhibits will be "Program of Progress for the Small Towns of Texas."

Senator Krueger's aim is to show that rural districts like his can be, and are being, helped by the state government.

He has drawn fire from a colleague, Sen. Doyle Willis of Fort Worth, for having a lot of state officials and employees make the trek to El Campo for the day. But he's going ahead with his plans, and many state agencies are co-operating.

WHAT'S AN INDUSTRY?

School Land Board is going to have to decide before long what the Legislature meant when it said state - owned islands and submerged lands along the inland waters of Texas could be leased by the Land Board for "industrial purposes" only.

For example, Port Aransas wants to lease some state land for a city airport. Is that an "industrial" use?

Land Commissioner Jerry Sadler, chairman of the board, thinks it is. He wants to give a liberal interpretation to the term.

A study of the law by the Attorney General's department has provided no judicial interpretations by Texas courts of the term "industrial." But they can take their choice from courts of other states. There the interpretations range from "manufacturing only" to one case where the courts held that rice farming was an industrial activity.

CONVENTION TIME

Democratic and Republican leaders are busy planning their state party convention to be held on September 18. Republicans meet in Fort Worth, Democrats meet in El Paso.

For the first time in many years careful attention is being paid to the party platforms.

Two big endorsements given to John Connally, the democratic nominee for governor, hinge on what the platform says. The State AFL-CIO and Political Association of Spanish Speaking Organizations both want to make sure the platform is not in opposition to some of their hoped - for legislation before their endorsements take effect.

Because many Texans remain undecided, both parties hope to gain votes by what they say in their platforms. But the problem is the same as usual. They have to keep the friends they now have, while trying to attract new ones.

So, the careful, slow and demanding process of democracy goes on and on.

BRIBERY?

Headlines told of possible pay-offs to former Texas Railroad Commission officials working in the East Texas Field as the House General Investigating Committee delved into the crooked - hole scandal at public hearings.

Legislators headed by Rep. Charles Ballman of Borger are trying to find out what new laws are needed to stop such things. They have found that it is not a violation of criminal law to ignore Railroad Commission regulations by taking oil from under a neighbor's lease. It is merely a civil offense for which the state can try to collect \$1,000 a day for each day of violation.

Theft is of course against the law. Federal law prohibits the transportation in interstate commerce of illegally - produced oil. But even that is a fine legal point in this situation.

Bribery is an offense, but hard to prove. Reports to the Railroad Commission must be sworn to, but in the land and insurance scandals the courts held that if the notary public didn't make the swearer hold up his hand and take an oath, it was not false swearing.

Attorneys for some of the oil operators laid a predicate as a defense against possible contempt charges growing out of perjury or failure of some witness to appear, by contending that the investigating committee was illegal. Argument is based on the fact that three of its five members did not run for re - election to the House.

Atty. Gen. Will Wilson, who headed the investigation, explained the legal shortcomings to the committee. Previously, he had briefed district attorneys in counties in which crooked - hole drilling has been found.

So grand jury action may be expected next in this scandal which may make peanuts out of the Billie Sol Estes affair.

FHA Council Holds Workshop

The FHA Executive Council Workshop was held Monday in the home of Mrs. Fred Carrol.

All Senior Chapter officers were present for this meeting. The purpose of this meeting was to acquaint all officers with their individual duties.

Refreshments were served and the meeting was adjourned about 9:30.

THE OLD PHILOSOPHER

Philosopher Not Worried About Plan To Move Two Million Farmers Into Town

Dear editor:

A lot of farmers around the country I understand are up in arms because the Committee for Economic Development, a group of 200 leading industrialists and business executives, having studied the farm problem, has come out with the pronouncement that the way to solve the problem is to move two million farmers off the farms in the next five years.

It seems to me that what the Economic Development Committee is saying is that if you move two million farmers to town, the ones still left may not make any more, but there'll be less of them to complain.

I have thought about this proposal all week now and I find it doesn't disturb me, mainly on account of I ain't going. The reason I'm not going to a city is that in the first place I like it out here on this Johnson grass farm, and in the second place, where would you find a city so hard up it's need me?

I know it's kind of galling to a farmer to look up from his problems and have some city people tell him the only solution is to move in with them, but the Committee for Economic Development could have come up with a lot worse solution.

For example, what if they had decided the solution was the other way around, that more city people ought to move to the country? If there's anything that'll make a farmer madder than telling him he ought to quit and get a job in town, it's telling him he ought to make room for city workers in the country.

What some people don't understand is that, as bad as the farm problem is, it's not as bad as us farmers make out. We make it sound worse than it is mainly to keep city people from crowding in on us.

Solving the farm problem by moving two million farmers to town is likt solving the problem of under - paid school teachers by cutting the number of teachers in half. I suppose there are some farmers who wouldn't object maybe to moving to town, but the trouble is they've already looked around a little in town, studied the financial status of a lot of town people, and had just as soon stay in the frying pan as jump in the fire.

If you can't quite make ends meet anyway, why move to town where you can do it just as well in the country?

Yours faithfully,

J. A.

"The only thing new about the inspection this year is the sticker itself," he said. "This new sticker is a dry mount decal which we believe will adhere regardless of weather conditions and one which has been used very successfully in other states."

More than five million vehicles registered in the state are required by law to be inspected at one of the 500 official inspection stations between this date and April 16, 1963. Owners of vehicles not displaying the current inspection sticker after that date will be in violation of the law.

Garrison urged motorists to get their vehicles inspected as early as possible, and pointed out:

In announcing the new inspection period, the public safety director said the Vehicle Inspection Program in Texas has proved itself to be a valuable tool in reducing accidents on Texas streets and highways.

FOOTBALL

SEASON'S HERE!

Rosebud Comes To Cameron This FRIDAY, 8P.M. At YOE FIELD

Rosebud brings a strong team to Cameron this Friday to open the 1962 grid season. The Game last year ended in a 14-14 tie with an inspired Yoe Team coming back in the second half to tie the Panthers. This game has always produced a top notch contest and it has every indication that it will do the same this year.

Let's show the Yoemen we are behind them 100% this year by being at every game this year!

How About That!

FAMOUS LITTLE WOMEN OF FACT AND FICTION

QUEEN Victoria, ruler of the British Empire at its height of power, was under five feet.

PRINCESS Margaret of England is exactly five feet.

FEW 'little women' got as much notice as Dionne quintuplets born near Callander, Canada, in 1934.

BEST known 'Little Women' of all were in Louisa Alcott's novel of same name, an all-time best seller translated into 15 languages and read by millions throughout the world. About 50 million more will see it as a television musical in October.

"Walk Worthily - -"

Is there express purpose and worthy direction in this man's walk? Or, is he wandering aimlessly?

Regardless, two things accompany him: his shadow and his influence. Cloudy days and darkness of night may obscure his shadow, but his influence — good or bad — remains. That means that wherever he goes, someone follows. It is almost sure to be someone near and dear to him. It could also be someone altogether unknown to him. Such is the power of influence.

How important, then, for his own sake and for the sake of others that he be a man of worthy life purpose and that his steps extend in the right direction.

Purpose and direction are right if he is a man who "walks with God."

God calls every man to "walk with him" and to "walk worthily" in the presence of his fellow-man.

A "closer walk with God" and a more commendable walk among men is the better assured by regular church attendance.

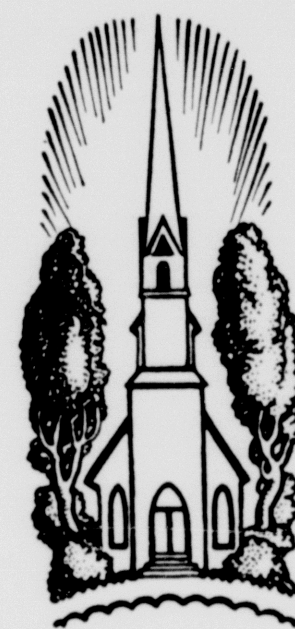

"The steps of a good man are ordered by the Lord: and He delighteth in his way."

Psalms 37:23.

Airman Graduates

From Jet Schooling

AMAHULLO AFB, Tex. — Airman Third Class Richard L. Davis of Rockdale, is being reassigned to Laughlin AFB, Tex. following his graduation from the United States Air Force technical training course for jet aircraft mechanics here.

Airman Davis was trained to maintain and service jet aircraft and aircraft systems.

The airman is the son of Mr. and Mrs. Alvin Davis of Rockdale.

THREE QUESTIONS

Three vital considerations are now before the wool and lamb producers of the U. S. They are the question of the incentive price level of shorn wool, the question of changing the official marketing year, and the referendum on the promotional activities agreement with the ASPPC.
